Q: How to get the value of selected attribute using jQuery I want to get the value of selected attribute of a particular element using jQuery. Here is the HTML code of the element that I am referring to Product1 Product2 Product3 Product4 Product5 Product6 Product7 Product8 Product9 Now the selection of Product1, Product2 etc., will be made based on selection of other elements in the form. Now what I want is when I make the selection of Product1 from this dropdown, I want to store the value of selected attribute (in this case 1) in a variable. So, how can I achieve that using jQuery? I
