## What's new in Elden Ring:

### **H E S P E L E M A R I A**

Based on the Japanese fantasy world that Osuna (a legendary land of gods, monsters, and people) once had, this fantasy epic combines beautifully designed graphics and the high-class soundtrack by the legendary composer, A/V NEO (Bakemonogatari, Danganronpa 2: Goodbye Despair), with an action-oriented online multiplayer RPG featuring an original concept and system. All of these together create a Kaleido Star experience not previously found.
