The game is a fantasy action RPG with turn-based battles developed by the newly formed studio Lunatic Souls. We are grateful to the many players and our supporters, as well as the team at Cryptic Studios and Obsidian Entertainment for their enthusiasm and support. We are confident that Tarnished is the game that players have been waiting for. We are preparing to launch the closed beta test and will be streaming the beta as it progresses on our YouTube and Facebook channels. Please contact Customer Service at [support@lunasouls.com](mailto:support@lunasouls.com) or @lunasouls on Twitter for more information.

- About the game

**A Vast World Full of Excitement** A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. As you explore, the joy of discovering unknown and overwhelming threats await you, leading to a high sense of accomplishment.

**Create Your Own Character** In addition to customizing the appearance of your character, you can freely combine the weapons, armor, and magic that you equip. You can develop your character according to your play style, such as increasing your muscle strength to become a strong warrior, or mastering magic.

**An Epic Drama Born from a Myth** A multilayered story told in fragments. An epic drama in which the various thoughts of the

WELCOME TO THE LAND BETWEEN. Become a nobleman of the Lands Between. Since its inception in 1997, the *Final Fantasy* series has challenged players with increasing difficulty and has achieved endless praise for its unique fantasy setting and unconventional play. Now, Team Nibilia and Sony Japan Games Label are ready to provide its own outlook on the unexpected fantasy lands. In a pseudo-historical fantasy setting, the characters of the world of the Lands Between have donned their respective Tarnished Armor. In the midst of a drama-filled dynastic war, the players took on diverse quests and battles, showing their strength and skill to earn magnificence.

ELDEN RING Game Review Forum Elden Ring Game Overview Elden Ring Game Community Elden Ring Game ScreenshotsSite Menu The art of the curator When you look around your office or home, it’s easy to see displays of visual objects and information – books, photos, maps, CDs. None are particularly exciting, but are they art? A “curator” is anyone who organizes material for display or storage. The word “curator” means “caretaker.” We simply use it to include people who do the art of “organizing” – arranging, arranging, arranging. Why Be a Curator? All of us like to think we’re creative. Yet, few of us can create a provocative work of art. Yet, all the creative work of the world is created or managed by curators. Are you someone who’s on the cutting edge of your field? An artist or designer who sees something the public doesn’t? Curators are in a unique position to identify and encourage other creative individuals. They shape and define trends – and we need curators to help us understand and appreciate art. A practical benefit of being a curator is helping collectors and those

seeking art. As a personal hobby, curators often have close relationships with galleries and museums. They become trusted advisors who can provide insights into how a museum, gallery or show might be successful. A career in Curating The traditional career path for curators is as a museum curator. A curator's job is to guide art and objects through the process of acquisition and exhibition, and to provide needed museum management and finance skills. The number of museum curators has dropped dramatically in recent years. One theory is that fewer people are able or willing to expand their family and work beyond a single career. Many people view their jobs as full-time, while they work a second or third career. Another theory is the growing demand for artistic skills in a number of fields. Curators often have other careers - teacher, author or reporter. Curators can also offer to help organizing other people's art. Community Curators Another career path is bff6bb2d33

■The New Fantasy Action RPG As part of LINE gaming, a collaboration with Niantic, Niantic of San Francisco, Inc. develops an innovative online game with a social aspect. Together with the Niantic, which is the leader in the industry for mobile game development, the game is released in the game store of LINE game. From the early stage of smartphone development to the world of the Steam game, the online game of the LINE game is continuously developed. The most amazing evolution of the type of game that does not exist on the mobile platform is Niantic's Go, the only game development company among the top 20 leading global companies. Niantic's Go is a 3D RPG game of a nostalgic sense, in which the player controls a character in a RPG

game. In the game, the player accepts an adventure to regain lost memories in a mythical fantasy world with strong elements of 3D elements. Moreover, the game captures the player's interest through the seamless online connection in a social aspect. For the LINE game, the company established a team of Niantic's Go and game developers who have a solid working background. The team consisted of skilled specialists who play a large role in the development and promotion of the game. In addition to the feedback from the users, the game design team continuously considers the new development of the game itself. For the LINE game, the playable character is a very important element. This is because the game is a fantasy in which the main character is the player and the main part of the game is the co-op game of the users who play with the player. As a result, the player is able to experience the feel of the fantasy world through the co-operation with the other users who play the game. ■Game Team Game design team Hiroshi Toda Expert staff Hideki Kuranari Daiki Niimura Daiki Yotsuhashi Cliff Yasuda Yuichi Ishihara Yoshinori Saji Production coordination team Mirei Takashima Taeko Hoshiyama Shiori Uchida Mio Ochiai Masashi Tajima Junichi Shibuya Sachiko Takenaka [LINE GAME DEVELOPMENT TEAM] LINE GAME DEVELOPMENT TEAM
