The Ancient Clans are gone and the Secret City is lost. Three tribes of kings, priests, warriors and mages struggle to rebuild society. Lead by the Golden King, they must rescue an old civilization from the ruin. Follow the king as he walks the path of duty and mercy in your quest to find the golden city and save the world. A new interpretation of the classic adventure game. Treasure Masters, Inc. is designed for both casual and advanced players. A new take on the classic hidden object adventure game. The call of adventure brings Nick, Judy and Ace and in a centuries old world filled with marvelous treasures and astonishing discoveries. To save the day they must uncover the whereabouts of a lost city. Clue by clue, with their finely tuned charm and wits, the intrepid friends embark on this remarkable new journey. Join an epic adventure to find the lost treasure of Fabled Fortune, a casino buried in the desert! You and your team can either work as a team to find the entrance or as solo adventurers. You will search for treasure chests and solve puzzles and brain-bending mental challenges. Help your grumpy father collect treasure. In this unique turn-based adventure game, you take control of the famous Pirate, Edward Teach. To win the treasure, you must lure any number of pirates from boats to their deaths and run them aground to claim their booty. Join the excitement of a treasure hunt and uncover the hidden objects in four insane treasure-themed mini games. As you play, try to be the first to find all the objects in each game and guess which one is missing. Welcome to the scariest haunted house in the city! With the help of a jaded reporter, a magician and an intrepid clairvoyant, find out who's hiding the sinister truth behind a secret hiding spot. Investigate and find out if there's more to the story than meets the eye in

this interactive point-and-click game. Join the College of Sorcerers and discover their secrets as you help them unravel a dark wizard's master plan. Join the Priestly Order as they chase after a missing magic sword. Don't forget to make sure to submit your inventory before visiting other villagers! Local and online multiplayer includes two modes that can be played either alone or cooperatively: *The Time Machine - A battle between 2 players where each player controls a time-traveling hero. *The Temple of Fate

What's new in Treasure Masters, Inc.: The Lost City:

of Suburbia is a treasure swapping simulator that gives players the chance to explore computer-generated Victorian London, filled with amazing architecture, artistic craftsmanship, and a rich history of trade and exploitation. Treasure Masters is focused around two things: trading cards and money. With the help of Mike, a colorful gangster and your fence, and through a tutorial course, you'll purchase treasure pieces from local merchants in exchange for money. As you acquire more and more treasure pieces, you get the chance to trade them for special pieces that may be harder to find. On top of that, you have the chance to dispose of unwanted pieces by using them as currency to pay for costumes, journeys, vehicles, and more. The updated platform will be dropping right away. This release sees eight new pieces of content, including the introduction of Egypt's Nefertiti. It'll be a challenge to get those fantastic drops at the same time as new and better equipment, so get shopping! This

is just the beginning. In keeping with The Lost City of Suburbia release: here's the logo. To celebrate our new update and the success of Steam Early Access, we're going to hold a sale!
