I have created the template and am able to create a community site in the community builder and the template is displayed in the drop down but I am not able to view the personal site template here. Is there anything I am missing? A: When creating a new community site, you'll notice the options are between the two types, and the default one is the Community Site. From there, you should be able to configure the template, as you did with the Personal Site. You can find the template list here. Psychosocial influences of menopause. This article reviews the psychosocial aspects of menopause, including the physical, emotional, and cognitive changes, the associated symptoms, and the treatment options available. It also examines the relationship of behavioral factors, including the menopausal transition and the menopausal years, to

menopause-related health outcomes. The literature to support psychological interventions are reviewed, including published studies on postpartum depression, male depression, and the menopausal years. Biological factors are identified as important for early intervention and prevention for those who suffer the most.!![(brjcancer00033-0029.tif "scanned-page"){.279} ![(brjcancer00033-0030.tif "scanned-page"){.280} ![(brjcancer00033-0031.tif "scanned-page"){.281} ![(brjcancer00033-0032.tif "scanned-page"){.282} ![(brjcancer00033-0033.tif "scanned-page"){.283} ![(brjcancer000
