Melodo features four up to 64 custom audio phrases that can be played as MIDI events, or triggered with the mouse and pitch wheel. The created phrases include chords, bass lines, arpeggios, melodies and scales. Melodo is a modular tool that can be extended by adding your own modules. At runtime, Melodo enables users to create, modify, explore, build and share short musical phrases. What's New Version 1.4.2 - 2016-07-22 • Fixed a bug in the new version of the audio phrase editor Requirements Mac OS X 10.6 or later Melodo VSTi Full Crack - Free FoneFactor Pro 1.3 - Free FileZilla for Mac 3.16 or later Link to Melodo VSTi Full Crack Link to melodo for mac A: Sure, I use that. Melodo is perfectly ok for what it is and I use it occasionally myself as I am a remixer who loves to use short snippets from specific tunes that I think my audience may like. Also, the "Create module" feature is quite straightforward. +
