Emma was almost certainly at least the close friend, if not family friend, of Darwin's sister Elizabeth (1813-1850), so Emma clearly must have known Charles well enough to go into St Martin's and he married her! These are the two first Georgians who are commemorated on the British coinage. The wedding photo is in the National Portrait Gallery in London, but it was taken and paid for by the photographer, Samuel L. Mitcham and not by Charles Darwin. The photograph is the one which many people think is the most famous: Charles Darwin in the garden of Down House, two miles from Downe, Kent, the house where he was born, and the man who wrote Darwin's Origin of Species.Q: How do I get rid of the page spacing when I import a Medium page into Draft.js When I copy from Medium the URL of the site, it cuts out the rest of the page.
