

moxiwo rule ziso mzansi youtube Doctor Who Story Wikipedia. Doctor Who is a BBC science fiction media franchise comprising a range of television programmes, video games, books, comics, audio plays, merchandise, and a 2010 Christmas special feature-length film, based on the character of the same name. Each incarnation has featured a human male (known as the Doctor) and female companions. The stories often feature different settings, although many of them take place in the Doctor's home planet, Gallifrey. The first Doctor, William Hartnell, introduced the Daleks in the first episode and became the longest serving Doctor. The Doctor has also been portrayed as a Time Lord, able to travel through time and space in an advanced spacecraft, the TARDIS, which resembles a blue police telephone box. The series was created by the BBC's Head of Drama Serials Michael Briant and is produced by BBC Wales, and the Australian production company Carnival Film & Television Productions. It is made in Cardiff, Wales and is made by BBC Wales, Carnival Film & Television Productions, and is broadcast on BBC One in the United Kingdom, as well as in many other countries around the world. The programme follows the adventures of the eponymous character, who is also referred to as The Doctor. The Doctor travels through time and space aboard his time ship, the TARDIS. He is a time-travelling alien, who regenerates his body upon sustaining fatal injuries. Doctors do not age, and can regenerate their form to a new body by using this ability. A number of supporting characters have appeared in the television series and various books. The series is set in the fictitious universe of the Doctor Who series. Doctor Who is based on the character of the same name, a alien Time Lord introduced in the television episode, An Unearthly Child which was broadcast on 23 November 1963. The Doctor was portrayed by William Hartnell from the programme's first episode until the end of the third season, when he died during production of The Dalek Invasion of Earth. He was replaced by Patrick Troughton in the second season, and he was followed by Jon Pertwee and Tom Baker. Pertwee, whose Doctor was the longest-serving, was succeeded by the character who is the longest-serving, David Tennant. In the fourth and fifth series, Jono In the c6a93da74d
