Adult Affidavit of Parental Responsibility for Child May be Allowed in Virgin Islands An attorney for the child in a custody dispute says his client's father, who has a history of arrests for domestic violence and has refused to answer any

questions concerning the child's welfare, must be given an opportunity to contest the allegations that have been made against him and that if he is found to be unfit, he cannot see his child. An attorney for the child in a custody dispute

says his client's father, who has a history of arrests for domestic violence and has refused to answer any questions concerning the child's welfare, must be given an opportunity to contest the allegations that have been made against

him and that if he is found to be unfit, he cannot see his child. In a recent hearing before Judge Kenneth Tripodi in the Department of Health and Social Services Office of the Public Guardian and Defender for the Virgin Islands, the attorney was allowed to file an adult affidavit of parental responsibility for a

child without the presence of the parent who has custody of the child. In an affidavit of parental responsibility, which is used as an alternative to a declaration of parentage, the defendant "acknowledges paternity and agrees to fulfill his parental obligations," according to the Department of Health and Social

Services website. In the affidavit, the defendant acknowledges that he has a child named XXXXXXX who is under the age of 19, that he should fulfill his parental responsibility to XXXXXXX, that he has knowledge c6a93da74d
